## Food & Beverage Catering Agreement

The Leasee or guest should not bring any food or beverage into the facility from outside sources. To ensure compliance with the food-handling regulations set forth by the Mississippi Department of Health, all food must be consumed on the premises during the contracted time. To ensure quality and food safety, **maximum time for buffet set ups is two hours**. Due to health and insurance regulations, all remaining food becomes the property of Landers Center.

All alcoholic beverages will be supplied by the Landers Center and must be dispensed by Landers Center servers and bartenders. We reserve the right to request proper ID of any person and refuse service to anyone. Alcoholic beverages cannot be removed from the property under any circumstances. Any alcohol brought into Landers Center from an outside source will be confiscated with no guarantee of return. Failure to comply with these policies may disrupt the continuance of the event. Last call for alcohol will be approximately 1 hr. from anticipated end of event.

### Guarantees

A final guarantee of the attendance at any catering function must be received 14 days in advance. If attendance falls below the guaranteed number, the customer will be charged for the expected attendance.

### Service Charge

There will be a 18% service charge added to the sub-total food and beverage bill.

### Sales Tax

State of Mississippi and DeSoto County Sales tax equal 10 %. State of Mississippi regulations require sales tax be applied to other services and fees when food and beverage are ordered for an event.

### Deposits

Catering events are prepared by Landers Center's own Food & Beverage Department.

Your room deposit covers any food & beverage deposit that may be required.

### Bartender Fee

Bartender fees are \$ 35.00 per hour, per bartender. If sales exceed \$600 per bartender, the hourly rate is waived. We recommend one bartender for every 200 guests.

### Bar Set Up Options

Host Bar - The host of the function pays for the drinks his or her guests consume. If the host purchases \$600 of alcohol per bartender, Landers Center will sell the host the drinks at a discounted price of \$ 5.00 per drink.

Cash Bar - The guests pay for the drinks they consume.

### Smoking Policy

The Landers Center is a non-smoking facility. Designated smoking areas are located outside.

### Food Tasting Policy

Once a contract is established with our guest, Landers Center would be honored to invite up to four guests to sample a meal in progress at our facility. The meal would be what is currently being served and timed with the service of that event.
